

Are you **patiently** waiting at home until you can *finally* go out again? Or **frustrated** that you haven't been able to go to the usual places to meet other singles? Are you clear how to be **successful** when you start meeting women again? Would you like a **road map** to make your dating experience smoother?

**Feel empowered in your dating life! Sign up for the *Transform Your Dating Life* program.**

This program, facilitated by Christine, consists of 6 weekly phone coaching sessions for a group of men (limited to 10 men). Each session is 60 minutes.

During these sessions you'll:

- Improve your skills through education and practice.
- Learn how to have a successful first date.
- Learn how to get a second date.
- Be able to review lessons as often as you like because they'll be recorded.
- Receive quick email advice from Christine between sessions.

**Bonus:** The program also includes one 30-minute private coaching conversation with Christine.

These educational classes will address your dating questions and concerns. You'll learn how to:

- **Ensure dating success** by knowing how to create a personal dating strategy.
- Attract and date only those women **who fit your criteria** (because you'll have clearly defined who you want to date).
- Perfect the secrets to having a **fabulous first date**.
- Learn how to create the type of conversation that will **draw the right women to you**.
- Figure out why you've been attracting the wrong type of women and what to do **to only attract the type of woman you truly want**.
- Clarify what you want and *don't* want in a woman so you never again spend a "**wasted**" evening with the wrong woman.
- Learn how to ask for a second date and get it.
- **Feel confident** at the beginning and end of every date regardless of the outcome.
- Show her you're truly a good guy.

Once you complete this program you won't have to wonder so often "does she like me?" Because you'll have the tools to figure it out.

Finding the right woman isn't difficult, but it does take specific knowledge (just like finding the right job). And I want to assure you that you *can* do it (just read the reviews from my [clients](#)).

Cost for the program (six classes plus one private coaching session) is \$297. Payments are available.
