

Are you **patiently** waiting at home until you can *finally* go out again? Or **frustrated** that you haven't been able to go to the usual places to meet other singles? Are you clear how to be **successful** when you start meeting men again? Would you like a **road map** to make your dating experience smoother?

Feel empowered in your dating life! Sign up for the *Transform Your Dating Life* program.

This program, facilitated by Christine, includes 6 weekly phone coaching sessions for a group of women (limit of 10 women). Each session is 90 minutes.

You'll have the opportunity to:

- Discuss your challenges in a supportive group setting and learn successful ways to date differently.
- Enhance your dating life through the knowledge you'll gain.
- Review each lesson as often as you like because they'll be recorded.
- Receive quick email advice from Christine between coaching sessions.

Bonus: One 30-minute private coaching conversation with Christine is also included.

These educational classes will address your dating questions and concerns. You'll learn how to:

- Clearly **define who you want to date** so you attract and date only those men who fit your criteria (not having the right type of list is a common error women make).
- Clarify what you want and *don't* want in a man so you **never again spend a "wasted" evening** with the wrong guy.
- Perfect the secrets to having a **fabulous first date**.
- Quickly identify if he's a **match on the first date** by using your customized list of questions (while still making it fun so he doesn't feel like he's being interviewed).
- Figure out why you've been attracting the wrong type of men and how to only **attract the type of man you truly want**.
- Learn how to ask for what you want and need (without sounding needy and weak) so then you'll receive it.
- **Feel confident** at the beginning and end of every date regardless of the outcome.
- Ensure you're asked on a second date (if you want one).
- Politely and firmly say "no thank you" to a second date. And how to say "good-bye" when you don't want to go out with him again.

Once you complete this program you won't have to wonder so often "does he like me?" Because you'll have the tools to figure it out.

Finding the right man isn't difficult, but it does take specific knowledge (just like finding the right job). And I want to assure you that you *can* do it (just read reviews from my [clients](#)).

Cost for the program (six classes plus one private coaching session) is \$297. Payments are available.

Email me at Christine@ThePerfectCatch.com to enroll. Share this with someone you think would benefit from taking the class (especially if you'd like to be in the same class).

P.S. If you're happy with your dating life then pass this along to a friend who isn't.
